Rental Catalog and Rate Guide

Thank you for your interest in Central Virginia Rental. We appreciate the opportunity to present our comprehensive 2007 Rental Equipment Price List and Rate Guide for your use. Keep this guide in an easily accessible place for reference and planning.

Since our beginning over 33 years ago, our goal has been to provide customers with the highest quality products and the BEST customer service possible. Today, that tradition continues as we make improvements to our existing rental fleet, and increase the span of available rental equipment. We continually strive for improvement in order to provide you with top quality solutions to all your rental needs.

Your comments are valuable to us, so do not hesitate to call any of our representatives at any store for more information and guidance on the items contained on the pages of this guide.

Let us prove to you what thousands of customers in Virginia and surrounding areas already know - Central Virginia Rental wants to help you solve your problems!

Thanks for the opportunity to serve you.

12 REASONS TO RENT:

1. FULL MAINTENANCE is included in the rental rate. There is no need for you to keep your own shop, mechanics, spare parts inventory or maintenance records.
2. If rented equipment breaks down it is PROMPTLY REPLACED. What happens when your own equipment breaks down?
3. We are your WAREHOUSE when you rent equipment. You have no storage worries.
4. INVENTORY CONTROL comes naturally with rented equipment, saving you the headache of keeping track of your own units.
5. Renting FREES YOUR CAPITAL for more profitable uses than expensive, sporadically used equipment.
6. Renting doesn't show up as a liability on your balance sheet, so it increases your BORROWING CAPACITY.
7. Renting means having the most UP-TO-DATE EQUIPMENT always at your fingertips. Ownership means holding on to obsolete equipment too long.
8. NO PERSONAL OR PROPERTY TAXES are involved in renting.
9. Speaking of money, renting gives you ACCURATE COST CONTROL.
10. Use the RIGHT EQUIPMENT FOR THE RIGHT JOB with rented equipment, instead of trying to make do with what you own.
11. Renting means you pay ONLY FOR WHAT YOU NEED to accomplish the task at hand. Why own huge inventories of idle equipment?
12. When you are finished with rental equipment, you simply return it. Getting rid of your own equipment is a much more costly and difficult project.

Special Events Division

CENTRAL VIRGINIA RENTAL

WHAT TO EXPECT:

Thank you for considering Central Virginia Rental for your next "Special Event". It is our sincere wish to provide you with professional and courteous service in making sure your upcoming event is a success. Following is a list of general policies that may help you in planning your "Special Event."

1. All pickup and delivery charges are for items dropped off and picked up at ground level only. Special handling and arrangement of items will be quoted separately.
2. We will stack all items when delivered in a convenient place. Upon pickup, all items should be stacked in the same location - tables and chairs folded, food items rinsed off and placed in original racks, linens bundled, etc. to avoid additional charges.
3. Set up and removal services can be provided by arranging with our office prior to delivery. Rates will be quoted by the office only.
4. All charges are for time out, whether used or not, and are due before delivery unless otherwise arranged. Charges are calculated per one day event unless otherwise noted or arranged. DELIVERY MUST BE PREARRANGED. Kindly give two weeks notice on large orders.
5. Tent reservations require a 50% deposit. In the event of a cancellation more than two weeks prior to delivery date, we will refund your deposit. All deposits are held after this time. Cancellations on non-deposit orders must be made 48 hours prior to pickup time.
6. All prices for installed canopies and tents are estimated pending a review of the tent site. Any additional site preparation and delivery will be quoted after that time.

Thank you for helping us to keep costs down and quality high to you and all our customers!
